Women in Science & Medicine: Can You Achieve Work/Life Satisfaction?

Wednesday, September 22nd, 2010
11:45am to 1:15pm
Security Pacific Room, Athenaeum

How do women in scientific and medical careers manage work and family decisions? Come hear first-hand accounts from four professional women who have all made different decisions regarding the management of work and family.

Panelists

Stephanie Cropper, M.D.
Jean Doble, M.B.S.
Nina Karnovsky, Ph.D.
Angelika Niemz, Ph.D.

Co-sponsored by The Berger Institute for Work, Family, and Children, the 5College Women in Science Club, and the Joint Science Department of Claremont McKenna College, Pitzer College and Scripps College
