Discover the Benefits of In-Home
Back-up Care

First Rate Back-up Care at
your Doorstep

The Bright Horizons® Back-Up Care Advantage Program® provides Claremont McKenna College employees access to temporary in-home care for children and adult/elderly family members during a lapse or breakdown in normal care arrangements.

For example, you may use in-home back-up care when:

- Your child’s regular school is closed
- Your adult or elder relative needs care at home after surgery or illness
- Your child is mildly ill and cannot attend school
- Your regular caregiver is unavailable

Whether it’s your elder loved one in need of assistance after a hospital stay or your regular caregiver who calls in sick, back-up care answers the call, getting you to work with the confidence of a provider you can trust.

Register and Reserve Care

Online: http://backup.brighthorizons.com
Username: Claremont / Password: backupcare!
Or call: 877-242-2737

Eligible employees receive 80 hours of back-up care per calendar year. In-home is care $4/hour.

Family Care. Solved.
