UNDERGRADUATE FACT SHEET 2013-2014

Claremont McKenna College is a highly selective, independent, coeducational, residential, undergraduate liberal arts college. Its mission, within the mutually supportive framework of The Claremont Colleges, is to educate its students for thoughtful and productive lives and responsible leadership in business, government, and the professions, and to support faculty and student scholarship that contributes to intellectual vitality and the understanding of public policy issues. The College pursues this mission by providing a liberal arts education that emphasizes economics and political science, a professoriate that is dedicated to effective undergraduate teaching, a close student-teacher relationship that fosters critical inquiry, an active residential and intellectual environment that promotes responsible citizenship, and a program of research institutes and scholarly support that makes possible a faculty of teacher-scholars.

Established in 1946, CMC is a member of The Claremont Colleges, a consortium of seven independent institutions in Claremont, CA.
