

SRP Faculty Approval Form

(to be completed by student and signed by faculty mentor)

Student Name: _____

SRP Project Title: _____

Type of project (check only one):

- This is a project designed/created by a faculty member
- This is an independent research project designed/created by a student

Provide a brief description of the proposed project:

Describe the nature of the work to be conducted by the student:

Describe the expected outcomes the student will produce (e.g., research paper/poster, annotated bibliography, data analyses, policy report, blog posts, etc.):

NOTE: Expectations and outcomes should reflect the amount of work to be conducted in a full-time, 8-week position.

We are planning for an on-campus program. We will update the community if these plans change.

SRP Faculty Mentor Name: _____

SRP Faculty Mentor Signature: _____

Date: _____
