

# Neurodiversity-Affirming Therapy and Interventions for Supporting Neurodivergent Students

Sept 29<sup>th</sup>, 2025 from 8:30-12:30

Location: East Valley SELPA  
670 Carnegie Drive San Bern.

Cost \$25 includes CEU's

Featuring Dr. Rachel Fenning

Professor at Claremont McKenna College | Director, Claremont Autism Center

Join us for an engaging session with Dr. Rachel Fenning, a leading expert in assessment and intervention for individuals with neurodevelopmental disorders. Dr. Fenning brings extensive experience in working with autism, ADHD, language and learning disorders, and emotional and behavioral challenges. She will share insights from her research on family dynamics, emotion regulation, and clinical outcomes in children with autism and related developmental differences.

Perfect for therapists and counselors seeking evidence-based strategies and a deeper understanding of neurodevelopmental needs.
