Dislocated Worker Verification Form for 2018-2019

Purpose of this form: As of the date you filed your 2018-19 FAFSA, you indicated "Yes" to the status of "dislocated worker." This form will be used to verify that answer.

A person may be considered a dislocated worker if s/he is:

- receiving unemployment benefits due to being laid off or losing a job and is unlikely to return to a previous occupation; has been laid off or received a lay-off notice from a job;
- was self-employed but is now unemployed due to economic conditions or natural disaster;
- or is a displaced homemaker. A displaced homemaker is generally a person who previously provided unpaid services to the family (e.g., a stay-at-home Mom or Dad), is no longer supported by the husband or wife, is unemployed or underemployed and is having trouble finding or upgrading employment.

As of the date you filed your 2018-19 FAFSA, was either parent (or you) a dislocated worker? If a person quits work, generally s/he is not considered a dislocated worker even if, for example, the person is receiving unemployment benefits. If you answer "Yes," additional documentation to support your unemployment status may be required.
