College Admissions: The 5 Most Common Myths and Mistakes

Wednesday, May 15, 2013
11:00 a.m. – 11:45 a.m. (Eastern) and
3:00 p.m. – 3:45 p.m. (Eastern)

What are the biggest mistakes both parents and students make during the college application process?
What are the common misconceptions about what college admissions officers look for in a candidate that could actually derail your child's success?

Get the facts from College Coach

In this upcoming webinar, you'll hear from Elizabeth Heaton, a former admissions officer from the University of Pennsylvania and a member of the College Coach advising team. As a former college admissions decision maker, she will expose the most common myths and ensure you avoid frequent mistakes in the stressful, complex, and often overwhelming college admissions process.
