

Compassionate Activism Workshop

with
Sandra Kim

Friday, April 28th

3-6 PM

Women's Union (PO)

Compassionate Activism is a program created by Everyday Feminism to discuss how systematic oppression hurts both the privileged and the marginalized. This workshop will discuss the process of restoring internal justice with oneself through mindfulness and compassionate self-accountability, as well as the process of restoring external justice with others.

Sandra Kim (CMC '05) is the Founder and Executive Director of Everyday Feminism. As a person with multiple marginalized identities, she is committed to intersectional feminism that is focused on personal and social liberation for everyone. She will be the keynote speaker at the 7C Lavender Graduation 2017.
